Dear Fellow Business Member,

The Bullard Area Chamber of Commerce is a very important part of uniting Bullard. Through our efforts, we are creating a better place to work, live and play. We are here to help your business be a productive and successful part of Bullard, and the community it supports. At the BACC we are truly hoping to improve your business, and by doing so we can generate a positive economic impact together. As we continue to see Bullard grow around us, it is important that we advocate business advancement. We have many new changes in the Bullard Chamber including membership, Officers & Board of Directors, networking, social media advertisement, a new website and more. Our team is so excited for the new changes 2024 will bring.

We are gearing up for our annual Bullard Area Chamber of Commerce Banquet. This year's Banquet will be Saturday, February 24th at 5pm held at Bella Vista on Lake Palestine. The famous Sadler's Kitchen from Jacksonville, TX will be catering the event with a cash bar. The Chamber will be recognizing some of our business members with awards. We strive to make each year better than the last, with the assistance of our business members donating & sponsoring the event. Sponsorship is so important for us to be able to host an event to honor our business members. With your kind contribution, you will be assisting the community with unity & success. Please consider donating to or sponsoring this year's Bullard Area Chamber of Commerce Banquet. There will be a raffle for prizes & gift baskets donated from our business members. Donation examples include gift baskets, gift certificates, gift cards, items that represent your business with attached lotto tickets, any gift that represents your business. We will be collecting donations Friday January 26th.

Bullard was founded in 1881 by John Bullard. He opened the Hewsville post office in his store.

In 1890, the town had 200 residents, most essential businesses, a doctor and a telegraph office. Wow! Our community has grown so much since then. Join us and be a part of the growing success of our local and surrounding businesses. Please let me know if you have any questions regarding donations & sponsorship and/or how you can get involved with the Bullard Area Chamber of Commerce. We look forward to your continued support through membership, volunteering for committee events, donations and sponsorship.

Thank you for your time & continued support of our community!

All our Best from Bullard,
